As an AACSB member, IIM Nagpur aligns with global standards in management education, fostering international collaborations and partnerships. With techno-functional postgraduate programs, strategic industry tie-ups, and a future-focused curriculum, IIMN continues to bridge the gap between academia and industry expectations.

Beyond academics, IIM Nagpur thrives as a hub for entrepreneurship, leadership, and cultural vibrancy. Our flagship events Kutumbh (Alumni Meet), Tangerine Trails (Annual Management Fest), Under 25, and Zero Mile Fest (Cultural Extravaganza), foster strong alumni connections and create a thriving and learning ecosystem.

As we celebrate a decade of impact, IIM Nagpur remains committed to nurturing visionary leaders, driving business innovation, and shaping the future of management education.

JOIN US IN OUR JOURNEY OF EXCELLENCE—WHERE LEADERS EMERGE AND LEGACIES BEGIN.

MESSAGE FROM THE DIRECTOR

As Indian Institute of Management Nagpur completes a decade of excellence, our MBA Batch of 2024-26 embodies our relentless pursuit of innovation, leadership, and industry relevance. Here, education is not just about learning—it's about transformation. We merge academic rigor with real-world insights, preparing our students to lead with confidence in an ever-evolving global business landscape.

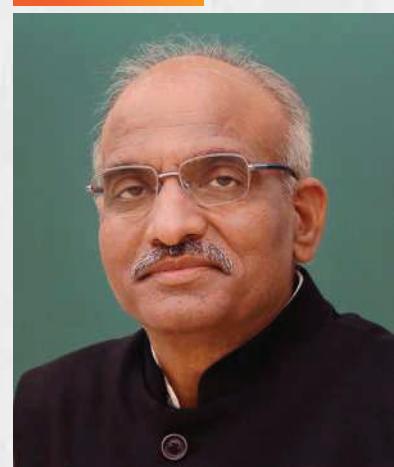

This year's cohort is a vibrant mix of seasoned professionals and ambitious young graduates, each bringing diverse experiences that enrich our learning ecosystem. With an average work experience of over 17.5 months and backgrounds spanning engineering, business, medical sciences, and management, our students infuse fresh perspectives into every discussion. Their exposure across industries—consulting, technology, manufacturing, FMCG, power, and BFSI—ensures a stimulating exchange of ideas, fostering collaborative problem-solving and innovation.

Rooted in the principles of NEP 2020, our meticulously designed curriculum goes beyond technical expertise, nurturing strategic thinking, critical analysis, and leadership acumen. Our esteemed faculty, celebrated for their research and teaching prowess, challenge students to think beyond conventional boundaries. This academic foundation is further strengthened by immersive industry interactions through our flagship events—Ekagra, Utkarsh (HR Conclave), Upkrit, and Zero-Mile Samvad—providing unparalleled exposure to corporate best practices and thought leadership.

At IIM Nagpur, we bridge the gap between learning and leadership with our pioneering Professional Management Practice (PMP) course. This transformative initiative integrates psychometric assessments, experiential learning, and direct mentorship from industry veterans, ensuring our students are equipped with the agility and insight to thrive in dynamic business environments. Beyond the classroom, our students distinguish themselves through international research, prestigious certifications like CFA and Six Sigma, and excellence in corporate competitions such as V-Guard Big Idea and TVS Credit EPIC 6.0. Their well-rounded capabilities extend to sports as well, where they proudly represent IIM Nagpur in swimming, basketball, football, table tennis, and cricket.

Our unwavering commitment to industry integration has resulted in exceptional placement outcomes, with our students securing key roles across consulting, marketing, finance, business analytics, operations, and strategy. Their problem-solving mindset, resilience, and leadership potential continue to earn the trust of recruiters, reaffirmed through consistent engagement with industry leaders via guest lectures, mentorship programs, and corporate collaborations. In a world where businesses seek innovation, efficiency, and sustainable solutions, IIM Nagpur's graduates stand ready to deliver impact. They are strategic thinkers, analytical problem-solvers, and dynamic leaders who embrace change and drive progress.

We warmly invite recruiters and industry professionals to connect with our students, explore potential synergies, and experience first-hand the exceptional talent that IIM Nagpur cultivates. As we chart the course for the future, we look forward to forging meaningful partnerships that create value, inspire growth, and redefine leadership.

MESSAGE FROM THE DEAN

It is my privilege to welcome you to the Indian Institute of Management Nagpur (IIMN) as we celebrate a momentous milestone—our 10th anniversary. Over the past decade, IIM Nagpur has remained steadfast in its commitment to excellence, innovation, and impact, shaping the future of management education.

At IIM Nagpur, we have cultivated a dynamic learning ecosystem that seamlessly integrates academic rigour with real-world application. Our MBA programme, designed to meet evolving industry demands, incorporates emerging trends such as artificial intelligence, sustainable business practices, and digital transformation. With an emphasis on case-based learning, industry immersion, and leadership development, we prepare our students to navigate complex business challenges with confidence and agility.

A key pillar of our success is our distinguished faculty, whose academic expertise and industry experience provides students with invaluable mentorship and insights. Beyond academics, our vibrant campus fosters holistic development through student-driven initiatives, entrepreneurial ventures, and leadership opportunities.

Looking ahead, IIM Nagpur is poised for significant growth, expanding industry collaborations, international academic partnerships, and establishing a state-of-the-art incubation centre to nurture the next generation of entrepreneurs and thought leaders. Our deep engagement with corporate partners continues to provide transformative experiences for our students.

MESSAGE FROM THE CHAIRPERSON

Greetings from the Indian Institute of Management Nagpur!

As the Chairperson of Career Development Services at IIM Nagpur, it is my pleasure to introduce the accomplishments and developments of our institution, particularly as we celebrate the journey of our 10th batch of MBA students.

Located on a 132-acre campus at the center of a major industrial hub, IIM Nagpur is committed to delivering a comprehensive learning experience that prepares students for the challenges and opportunities of global business environments. Our flagship two-year MBA program integrates rigorous academic coursework with practical industry engagement, fostering a deep connection between theoretical insights and real-world applications.

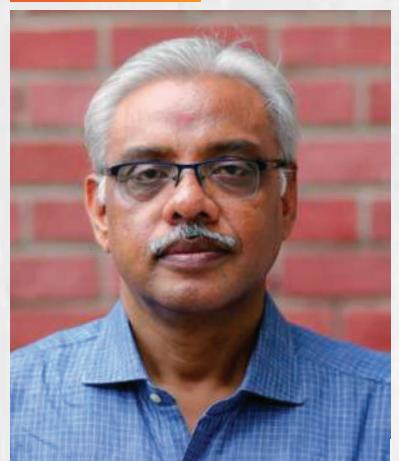

This academic year marks a significant milestone for us as we welcome several new prominent recruiters to our network. This expansion enriches the career opportunities available to our students and enhances the diversity of industries and roles they can explore.

In addition to our core academic programs, IIM Nagpur encourages a vibrant campus life through numerous student-led clubs, committees, and Special Interest Groups (SIGs). These groups provide essential platforms for social service, co-curricular, and extracurricular activities, contributing significantly to the holistic development of our students.

At IIM Nagpur, we uphold the highest standards of academic integrity and honesty. Our institute's code of conduct reinforces our commitment to these principles, ensuring a learning environment that values truth and ethical behavior. Our curriculum is carefully crafted to address the complex managerial challenges of today, promoting a mindset that enhances effective decision-making and problem-solving skills.

The MBA program at IIM Nagpur is supported by our distinguished faculty, who bring extensive research and industry experience to their teaching. Their mentorship is crucial in nurturing the critical thinking abilities necessary for the leaders of tomorrow.

As we progress with the 10th batch, we invite you to explore the exceptional talent at IIM Nagpur. Our students are well-prepared to contribute meaningfully to the success and growth of your esteemed organizations.

FACULTY SPEAK

Prof. Tanushree Haldar

"The MBA batch of 2024-26 is truly special. Even though the students come from very different backgrounds, they have come together as a close-knit team, always supporting and caring for each other. In a time when many worry that the young generation lacks focus, this batch has shown an inspiring transformation. They leverage new technology alongside their intellect to generate fresh ideas and creative solutions. What sets them apart is their ability to adapt. They know how to enjoy every moment and make great memories, but they also understand the importance of keeping their focus. To the batch: As you move forward, keep supporting one another, stay curious, and find that balance in your lives. All the best!!!"

Prof. Neha Garg

"As someone who has taught Organizational Behavior to the PGP 2024-26 cohort, I've had a front-row seat to their growth—not just as students, but as thoughtful, self-aware individuals ready to lead with empathy and purpose. This batch has shown an exceptional ability to engage deeply with the human side of business. From navigating complex group dynamics to reflecting on leadership, motivation, and culture, they have demonstrated curiosity, emotional intelligence, and the willingness to question assumptions. Their energy, openness to feedback, and commitment to creating inclusive environments set them apart. I am confident that they will bring not only technical and analytical competence but also a strong understanding of what it means to lead people effectively in today's evolving workplaces."

Prof. Sujeet Kumar Sharma

"The MBA batch of 2024-26 at IIM Nagpur has been a delight to engage with. What stands out is their eagerness to learn, openness to new ideas, and the way they collaborate—both inside and outside the classroom. They come from diverse backgrounds, which brings richness to discussions and group work. I especially appreciate their willingness to question, reflect, and connect theory with practice. Whether it's case competitions or day-to-day learning, this batch brings energy and sincerity. I'm confident they'll carry these qualities forward and make meaningful contributions wherever they go. Wishing them the very best in their journey ahead."

Prof. Neelkanth Dhone

"It has been a truly enriching experience engaging with the PGP 2024-26 batch at IIM Nagpur. The cohort brought with them a remarkable blend of curiosity, discipline, and a willingness to challenge conventional thinking. Their active participation in the classroom and eagerness to apply concepts to real-world problems made the teaching-learning journey both dynamic and fulfilling. As they now prepare to step into the professional world, I am confident that they will carry forward the values and rigour instilled during their time here. I wish them the best in their careers and look forward to seeing them grow into impactful leaders."

ABOUT MBA

The two-year, full-time MBA program at IIM Nagpur is designed to develop students into high-caliber professionals ready to drive business growth and success. With a strong foundation in analytical problem-solving, strategic thinking, and leadership, our graduates are equipped to tackle complex business challenges and deliver measurable impact from day one.

Our rigorous curriculum blends classroom learning with real-world applications, including case studies, live projects, business simulations, and industry interactions. A key highlight of the program is the International Immersion, combined with extensive field exposure and a summer internship, which ensures that the students gain global business insights and hands-on experience in tackling industry-relevant challenges.

The students are trained to become industry-ready professionals with a strong work ethic, adaptability, and the ability to contribute effectively in diverse roles across functions such as strategy, marketing, finance, operations, consulting, analytics, sales and HR. At IIM Nagpur, we don't just prepare students for jobs—we prepare them to be future business leaders who drive growth and innovation.

INTERNATIONAL IMMERSION PROGRAM

At IIM Nagpur, the International Immersion Program plays a vital role in shaping globally aware, culturally intelligent future leaders. In an era where businesses transcend borders, our students gain invaluable exposure to international markets, diverse economic systems, and varied management styles—preparing them to navigate and lead in complex, multicultural environments.

The program encourages students to move beyond the textbook, immersing them in real-world global contexts where they learn to adapt, collaborate across cultures, and think strategically. By engaging with different perspectives and experiencing global best practices firsthand, students build the agility and insight needed to thrive in international business settings.

This year, as part of the immersion experience, students visited France in collaboration with the University of Lille. There, they participated in academic workshops, corporate interactions, and cultural explorations that offered a deeper understanding of European business dynamics. From lively classroom discussions to exploring the cultural charm of French cities, students returned with broadened perspectives, enriched knowledge, and a deeper appreciation for global diversity.

IIM NAGPUR

उपKRIT 3.0

THE MENTOR - MENTEE MEET
Professional Management Practice
MBA [BATCH 2025-2026]

UPKRIT 2024 **MENTOR - MENTEE MEET**

At IIM Nagpur, we firmly believe that transformative education is an intersection of academic excellence, real-world experience, and one-on-one mentorship. In pursuit of this vision, the Institute proudly launched the Professional Management Practices (PMP) course—a pioneering effort that resonates with our pursuit of creating industry-ready management professionals. This revolutionary program seeks to bridge the gap between theory in academia and the reality of business. It is meant to provide MBA students with the strategic, leadership, and analytical abilities crucial for success in high-energy corporate settings. Central to this course is a sound mentorship system through which older professionals from top organizations mentor students through the complexities of corporate existence.

Our mentor base consists of more than 60 renowned leaders from respected companies like Larsen & Toubro, Tata Steel, Gennova, Siemens, Capgemini, Tata Chemicals, TATA Motors, Persistent, Cummins, Urban Company, Medtronic, Rustomjee, Spacewood, and many more. These successful professionals, selected from various industries, have a treasure trove of experience and insight to offer, acting as guiding lights for our students.

The PMP program is designed to encourage experiential learning. It includes an intermix of one-to-one mentorship meetings, psychometric evaluations, and action-based assignments. This ensures students absorb concepts of management with real-time corporate experiences. An advantage of the course is the Live Library session, when mentors openly tell their own personal anecdotes, milestones, and learnings from the field, culminating in authentic and meaningful mentor-mentee relationships.

Augmenting this mentorship experience is Upkrit 3.0, a marquee session that brings together mentors and mentees in an open forum for discussion, discovery, and networking. It provides a platform where students engage not only with their allocated mentors but with multiple industry leaders, expanding their exposure and professional networks.

The other pillar of the program is the Rural Immersion program. Students are placed to work in rural communities with NGOs and local businesses. They use managerial skills and techniques to drive change in underserved markets, experiencing directly inclusive growth and local entrepreneurship. This exposure gives them a richer appreciation of India's socio-economic landscape and a firm sense of mission. The mentors' visit to IIM Nagpur was a matter of pride for the institute. The visitors were immensely impressed by the talent pool, the academic acumen of the students, and the infrastructural provision on the campus that

accommodates such a high-impact learning framework. The Institute's peaceful but cutting-edge environment encourages attention, creativity, and collaborative development—testaments of a world-class learning experience.

As we look ahead, IIM Nagpur is committed to its vision of being a launchpad for visionary leaders. With the Professional Management Practice course and our growing network of mentors, we continue to develop a learning environment that is experiential, adaptive, and world-relevant, making our students future-ready and poised to lead.

The Corporate Relations & Placement Committee, IIM Nagpur, recently hosted the sixth edition of Utkarsh: The HR Conclave, under the theme "Leading Transformation for Viksit Bharat." This flagship event, organized by the Career Development Services (CDS), brought together industry leaders and thought pioneers to discuss transformational leadership, building inclusive organizations, and future talent development. Since its inception in 2015, IIM Nagpur has remained committed to creating value-driven leaders and global managers through high-quality education, research, and robust industry engagement. Utkarsh 6.0 embodied this vision by fostering a dynamic dialogue between academia and industry, paving the way for a developed and inclusive India.

The event commenced with a warm welcome from the CDS team. The inaugural ceremony began with the lighting of the lamp, followed by insightful addresses from academic leaders and industry stalwarts, including Prof. Prashant Gupta, Dean Academics; Prof. Mukund Vyas, Dean Executive Education; and Prof. Shailendra Nigam, Chairperson of CDS. The conclave featured distinguished guests such as Mr. Musarrat Hussain, Head of Human Resources at Suzuki Research & Development Centre India, and Mr. Ashok Kumar Tewari, Joint President - HR at MP Birla Corporation Limited, who shared valuable perspectives on transformational leadership and organizational growth.

Throughout the day, the event featured three engaging panel discussions. The first panel, moderated by Prof. Soni Agrawal, focused on "Transformational Leadership for Innovation and Development," highlighting the crucial role of HR in fostering strategic change and innovation. The second panel, moderated by Prof. Neerpal Rathi, explored the significance of inclusive leadership for sustainable growth. The final panel, moderated by Prof. Avina Mendonca, addressed the essential future skills required to navigate evolving business landscapes.

The discussions were enriched by the presence of eminent speakers such as Mr. Bibhuti Ranjan Pradhan, Executive Director at Indian Oil Corporation Limited; Captain Dr. Pranav Prasoon, Chief People Officer at TruKKer; Mr. Hari Menon, CHRO at Mitsui OSK Lines Ltd; and Mr. Ritesh Agrawal, Head of HR (Thailand) at PepsiCo. Additionally, insights on inclusive leadership were shared by Mr. Kaushik Mitter, Sr. VP - HR at Reliance Jio Infocomm, and Mr. Sushant Kumar, Talent Acquisition Manager at Brillio. The discussion on future talent development was enriched by Ms. Garima Sharma, Head of HR at NASSCOM, and Mr. Veerappaji Shivanna, AVP of Early Careers at Standard Chartered. The event concluded with an interactive Q&A session, allowing students to engage directly with industry leaders, gaining invaluable insights into the challenges and opportunities in the HR domain. Mementos and saplings were presented to the guests as tokens of gratitude and a commitment to sustainability. Utkarsh 6.0 reaffirmed IIM Nagpur's mission to bridge the gap between academic knowledge and industry expertise, inspiring future leaders to embrace transformation and drive impactful change.

Ekagra

Ekagra, the flagship Leadership Talk Series of IIM Nagpur, serves as a vital link between academia and industry, offering students direct insights from accomplished professionals and thought leaders. Organized by the Corporate Relations & Placement Committee, Ekagra facilitates thought-provoking discussions on leadership, corporate strategy, career progression, and emerging industry trends, equipping students with practical knowledge and real-world perspectives essential for success.

Over the years, Ekagra has had the honor of hosting esteemed industry leaders who have shared valuable lessons on survival in the corporate world. In a more recent session, Shyamakant Mishra, Global Head of Talent Acquisition at Amdocs, presented a systematic guide to professional development through his speech, "From Classroom to Boardroom". Prajakta Mody, Talent Acquisition Specialist at Amdocs, highlighted the importance of personality traits in professional development, underlining the essence of honesty in job interviews. Furthermore, Dr. Deepika Deshpande, COO at SingX, gave a thought-provoking talk on "Managing the Unknown: Insights for Future Leaders," presenting tips for overcoming uncertainty in the current changing business landscape.

In addition to expert talks, Ekagra also promotes an experiential learning culture, inviting students to participate actively with speakers in Q&A sessions, group discussions, and practical workshops. These interactions enhance critical thinking, problem-solving capabilities, and insight into industry demands and leadership challenges.

While IIM Nagpur keeps marching ahead with academic excellence and industry applicability, Ekagra is a cornerstone program in which the students are prepared well to lead with certainty, flexibility, and influence in a rapidly changing corporate world.

ATHENA – THE ECONOMICS AND PUBLIC POLICY CLUB

"At Athena – the Economics and Public Policy Club of IIM Nagpur, our mission is to ignite curiosity and foster a deeper understanding of the intricate connections between economics, business, government, and society. We achieve this through a diverse range of initiatives designed to broaden perspectives and encourage intellectual discourse.

Our activities include hosting inter and intra-college competitions, publishing a bimonthly newsletter, organizing insightful guest speaker sessions, and curating engaging infographics for social media. Additionally, we offer a comprehensive placement guide tailored to economics-related careers.

Through these initiatives, we empower students to explore the multifaceted landscape of economics and public policy, equipping them with the knowledge and skills needed to navigate the complexities of today's world."

MARX - THE MARKETING CLUB OF IIM NAGPUR

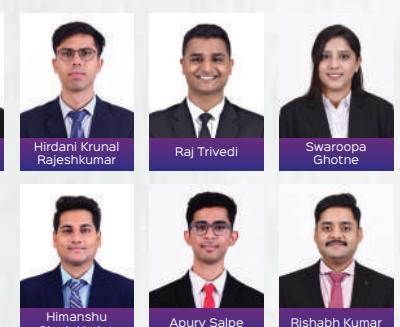

MarX – The Marketing Club of IIM Nagpur MarX, the marketing club of IIM Nagpur, is highly cultured and purpose-driven. MarX aims to connect marketing concepts to real-world applications and be a resource for students aspiring to pursue a career in marketing. Our industry connections were further strengthened this year as we had the privilege of hosting industry leaders from Bajaj Broking, Vodafone Idea, Mondelez, and Skippi Ice Pops, who shared invaluable insights and real-world experiences with our students.

We offer students the invaluable opportunity to engage in live projects, providing practical experience that yields significant benefits. This year, MarX successfully floated live projects that attracted 1040+ students, allowing students to gain hands-on exposure in market research, digital marketing, and strategy development.

We also organized INVICTA, a national-level marketing fest that included various events covering all aspects of marketing, and AdWise 9.0 during the annual management fest, Tangerine Trails 2024, including case-study challenges that evaluated marketing strategy formulation.

Talking about our strong social media presence, we introduced several engaging series on Instagram and LinkedIn, offering valuable insights about the marketing world. Our work on social media has been recognized by prominent brands, enhancing the club's credibility and reach. Our flagship national marketing event, AdWise 9.0, held under Tangerine Trails 2024, witnessed remarkable success, generating 860+ registrations and 35K+ impressions across digital platforms.

MarX continues to foster a culture of innovation and excellence, empowering future marketers through a blend of practical exposure, industry interaction, and national-level engagement.

FINAL PLACEMENTS HIGHLIGHTS 2024-26

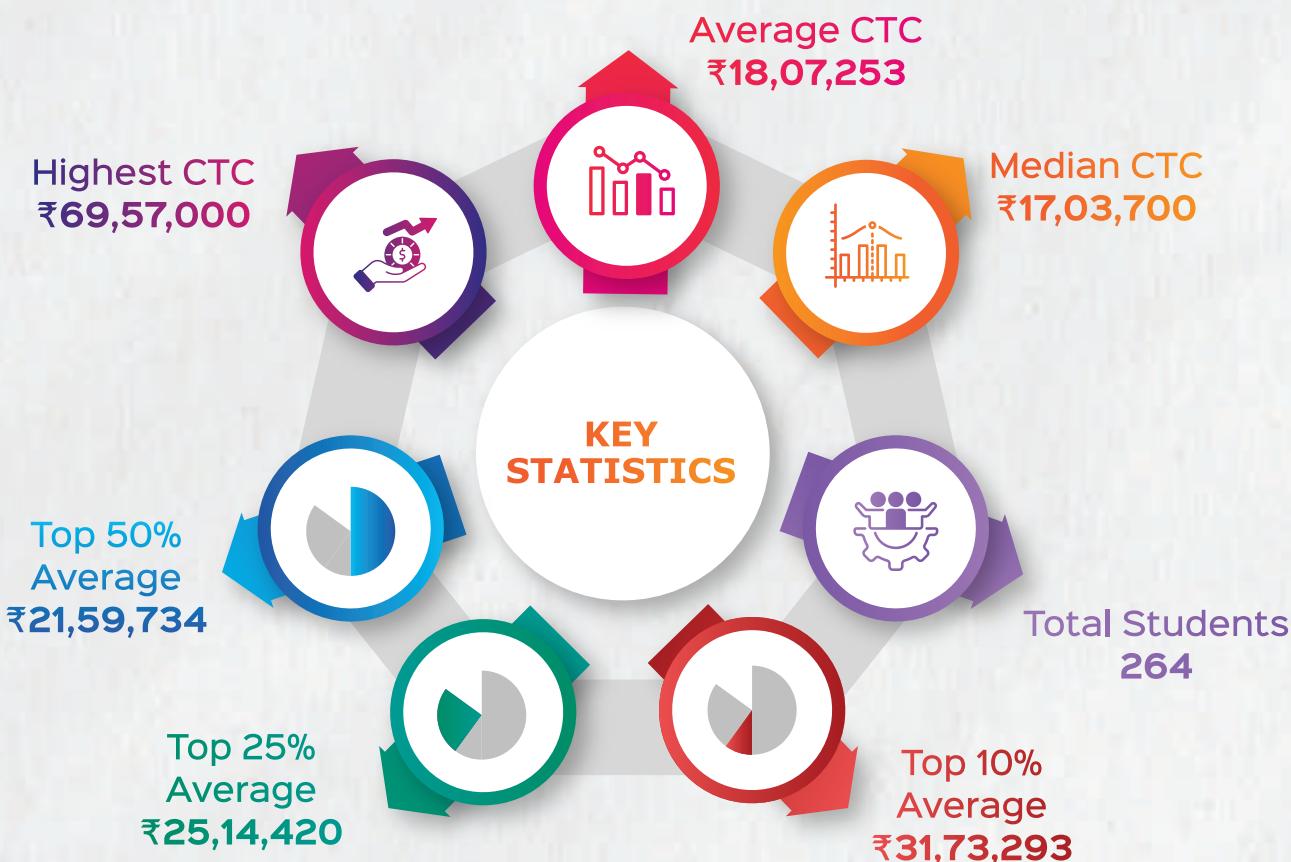

The Indian Institute of Management Nagpur is proud to announce the successful completion of the final placement process for the 9th batch of its flagship MBA program. A total of 264 talented and resilient students participated in a hybrid placement process, reflecting the adaptability and preparedness of both our students and recruiting partners.

We are deeply grateful to the diverse set of recruiters who placed their trust in our talent pool. This year saw active participation from leading organizations across Consulting, BFSI, ITES, Manufacturing, FMCG/FMCD, and Conglomerates.

Prominent recruiters included Microsoft, Amazon, Adani, BNP Paribas, Vedanta, Aditya Birla Capital, Lupin, Tata Power, Axis Bank, Deloitte, Accenture, BNY Mellon, Cognizant, IFB Industries, FedEx, Vivo, and Valency International, among others.

Despite a dynamic market environment, IIM Nagpur achieved remarkable outcomes—recording an average CTC of ₹18,07 LPA and a median CTC of ₹17,03 LPA, reflecting a YoY growth of 10.93% and 6.48%, respectively. We are especially proud to have received 4 international offers from Valency International and Sobha Realty, underscoring IIM Nagpur's growing global presence. Students secured roles in key domains such as General Management, Strategy & Consulting, Sales & Marketing, IT & Analytics, Finance, Product Management, and Operations. BFSI and ITES emerged as the most sought-after sectors, followed by FMCG/FMCD, Consulting, and Manufacturing.

We were also pleased to welcome several first-time recruiters this year, including Amazon, Publicis Groupe, BNP Paribas, Sobha Realty, General Mills, Valency International, FedEx, Vivo, Swiggy, Piramal Pharma Ltd., among others. We extend our heartfelt gratitude to all our recruiting partners for their continued support and look forward to building stronger collaborations in the years ahead.

ALUMNI SPEAK

From the classroom to corporate challenges, every step here at IIM Nagpur has refined my thinking, broadened my horizons, and prepared me to navigate the future with confidence.

My experience at IIM Nagpur has been profoundly transformative, shaped by the institution distinguished faculty and bolstered by its cutting-edge state-of-the-art infrastructure. Each classroom session refined my perspectives, while every opportunity—be it live projects or high-stakes corporate case competitions—illuminated the path to applying my learnings in real-world scenarios. The institute expanded my intellectual horizons, pushing me to explore uncharted depths of thought and execution. Serving as a core member of Nexus, the Media and PR cell of IIMN, granted me an immersive understanding at an institute level, refining my ability to think expansively, adapt seamlessly, take ownership, and meticulously balance the big picture with finer details. My time here has been an enlightening odyssey, arming me with the acumen and resilience to navigate the future with confidence.

AISHWARYA VHATKAR
Batch: 2023-2025; Amazon

Over two enriching years at IIM Nagpur, my MBA journey sculpted me into a dynamic professional. The rigorous academic curriculum, supported by industry interactions and real-world projects, provided a comprehensive understanding of business intricacies. Collaborative learning fostered a holistic perspective, refining my analytical acumen and strategic thinking. Engaging with diverse cohorts and esteemed faculty instilled invaluable leadership skills and a global outlook. Immersive internships and corporate engagements honed practical insights, bridging theory with application. As I stepped into the professional realm, I carried with me not just a degree but a transformative experience that equipped me to navigate complexities and drive impactful change in the corporate arena.

RISHI AGARWAL
Batch: 2018-2020; Asian Paints

Reflecting on my journey at IIM Nagpur, I am deeply grateful for the experiences, learning, and growth that have shaped me both personally and professionally. The rigorous academic curriculum, enriched with real-world case studies and industry interactions, has played a pivotal role in honing my strategic thinking and problem-solving abilities.

Beyond academics, IIM Nagpur fosters an environment of holistic development. Engaging with accomplished faculty and collaborating with a diverse peer group has broadened my perspective and enhanced my ability to navigate complex business challenges. The exposure to leadership roles, live projects, and extracurricular activities has further refined my decision-making and interpersonal skills. One of the most defining aspects of my journey was being part of the Placement Committee, where the fast-paced, high-stakes environment strengthened my resilience, adaptability, and stakeholder management abilities.

IIM Nagpur is more than just an institution—it is a dynamic ecosystem that nurtures future leaders. The invaluable lessons, friendships, and professional networks I have built here will continue to guide me throughout my career. I am proud to be an alumnus of this esteemed institution and look forward to contributing to its growing legacy.

NAMBI NARAYANAN M
Batch: 2023-2025; Aditya Birla Capital

"IIM Nagpur has not just shaped my career but transformed me into a confident and resilient individual, ready to take on the world."

My journey at IIM Nagpur has been nothing short of transformative. From being a student to serving as a Placement Committee member for two years, every experience here has shaped me both personally and professionally. The practical learning approach, industry exposure, and case-based methodology provided me with invaluable skills that extend far beyond the classroom. The persistent support of faculty and peers and the institute's commitment to excellence fostered an environment where I could grow, learn, and thrive. Being a part of the placement team also allowed me to witness firsthand the dedication IIM Nagpur has toward ensuring stellar career opportunities for its students. I have always aspired to have a marketing role in the FMCG sector, and the institute not only equipped me with the proper skill set but also helped me secure my dream job. The learnings and values I have gained here will stay with me for a lifetime, making me a stronger, more determined professional. IIM Nagpur is not just a B-school; it is an experience that shapes leaders for the future.

JUNAID QURESHI
Batch: 2023-2025; Country Delight

"From uncertainty to confidence, IIM Nagpur transformed me - teaching life lessons, leadership, teamwork, and financial wisdom while surrounding me with diverse perspectives that reshaped my understanding of the world."

I walked into IIM Nagpur as a lost student, unsure of what lay ahead. Skeptical and curious, I spent hours scrolling through news articles, magazines, and YouTube videos, trying to grasp what an institute like this could truly offer. Now, just days after my last day on campus, I realize the answer is beyond anything I could have imagined.

The faculty didn't just teach from the curriculum; they went beyond, equipping us with real-world skills—personal finance, leadership, and navigating us through diverse skills. Every moment, whether in classrooms, extracurriculars, or late-night discussions, shaped me into a better version of myself. The people I met, each with their own perspectives, taught me the art of communication and teamwork.

And while many may overlook infrastructure as a criteria, having my own beautiful space, along with the excellent campus facilities, played a crucial role in my growth—academically and personally. IIM Nagpur was more than an education; it was an experience that reshaped me, preparing me for life ahead in ways I never expected.

SHREEVANTI PURANIK
Batch: 2023-2025; BNY Mellon

IIM Nagpur's serene campus, nestled with state-of-the-art infrastructure, provided a perfect environment for growth and learning. The meticulously crafted curriculum equipped me with academic as well as practical skills for navigating the ever-changing business world. Two years of my MBA taught me invaluable life lessons in the form of the importance of teamwork, the art of time and people management, resilience to challenges, and, most importantly, the never-give-up attitude. The institute, the alumni, and the students foster a vibrant community spirit, which wouldn't have been possible without the culture prevalent at the institute. Overall, IIM Nagpur offers a transformative experience that shapes individuals into confident and competent leaders of tomorrow.

KAMAL SOOD
Batch: 2020-2022; KPMG

Experience is the best teacher one can have and only a fraction of the erudition you possess would be imparted by the books offered in your curriculum. At IIM Nagpur, the focus has always been to create that experience and propitious environment which enables the students to extract the maximum out of what is given to them, and what they have a hold on. It was an absolute honor to be nurtured in that atmosphere, alongside my peers under the supervision of exceptional professors and industry stalwarts who aided us in expanding our horizons and taught us to be perpetual learners.

DEV DAS
Batch: 2021-2023; Everest Group

IIM Nagpur – a great place to be at, learn from and contribute to. The learning comes not only from the professors who have accumulated tears of knowledge through their mix of industrial and institutional experience during the course curriculum but also from fellow students who come to a common place carrying different educational and cultural backgrounds. Peer learning at IIM Nagpur, like any other B school, is unmatched. Being a part of the pioneer batch, it was always a challenging yet exciting environment for us. For a fresher like myself, peer conversations on and off the class helped me build a few really good connections for the lifetime. Setting up various clubs and committees from scratch in the absence of any alumni was another learning experience. Determination, leadership skills, perseverance, communication, and networking were some of the key skills that IIM Nagpur taught me during the course of 2 years at the campus.

DHRUV SUCHAK
Batch: 2015-2017; Birla Opus

It was the multi-faceted offerings, echoing a perfect balance between academic rigor and focused extracurricular activities, at IIM Nagpur that truly helped me grow not only professionally but also personally. Surrounded by the best faculty, peers who would evoke intellectual discussions to the relentless support from the management, the two years at IIM Nagpur nurtured my curious mind into thinking beyond the obvious. I remember how we would get to interact with the industry stalwarts helping us seamlessly connect classroom learnings with their experiences and those intense case study discussions. One of my fond memories is writing a business case study for a social enterprise which eventually got published internationally, thanks to our esteemed faculty. I was always fond of IIM Nagpur while I was student and I am proud today when I look back, as an alumnus, of how the institute has shaped over the years.

SAMEER BHAJNI
Batch: 2016-2018; Walmart Global Tech India

"MBA is not only about learning a few more subjects, it's about learning from the people around us, learning to commit and go the extra mile to fulfil the promise. It is about what you do and how you approach things in the 2-year duration of the course, as this shapes an attitude for life. IIM N has provided me a fair environment for growth in the form of peer group and not to mention the faculties with the required academia-industry mix. Pretty much all my batch-mates had prior work experience which always caused plethora of perspectives to flow-in during our case discussions. This has helped me to have a completely different point of view and even today when faced with a problem, I hit the 'refresh' button and look for alternate possibilities that exist"

ADITYA LOIYA

Batch: 2017-2019; Accenture

Choosing IIM Nagpur was perhaps the riskiest decision for me in the year 2015 but it turned out to be one of the most decisive one for my personal and professional growth. I consider myself extremely fortunate to have interacted with some of the most inspiring people at IIMN. My two years' experience was mostly about sleepless nights and a lot of learning. We used to pull off all-nighters to solve cases and the next day we used to drag ourselves to attend the 8:40 am classes with left over sandwiches in our hands. In short, IIMN will push you a lot but it gives you the best exposure to learn and grow.

NUPOOR SINHA

Batch: 2015-2017; Swiggy

IIM Nagpur to me is so much more than just an institute I graduated from. Being a part of the second batch gave me an opportunity to play a role in shaping the institute and I am glad that IIMN now stands among the top B Schools of the country. The stellar placements witnessed in the recent years is testimonial to the holistic pedagogy which the students at IIMN receive. I believe the work ethics instilled, be it through classroom sessions or through club activities, goes a long way in making students better employees, good human beings and in turn great brand ambassadors of the institute. I wish the coming batches the very best in their endeavors.

ABOUT NAGPUR

Nagpur, located in the heart of India, is emerging rapidly as one of the country's fastest-growing cities. Renowned as the Orange City, it has witnessed significant infrastructure development, attracting investments from across the globe. The Multi Modal International Cargo Hub and Airport at Nagpur (MIHAN) Project, one of Asia's largest infrastructure initiatives, has placed Nagpur on the global map. Set to become India's first large-scale integrated smart city, Nagpur offers seamless connectivity to major cities across the country.

As a key transportation hub, Nagpur is strategically positioned at the intersection of major highways and railway networks, enhancing its potential as a logistics powerhouse. The city is also a prominent educational centre in Central India, with government initiatives driving the establishment of premier institutes across the city. Surrounded by five forest reserves, Nagpur is a major destination for wildlife tourism and holds the title of Tiger Capital of India.

With its dynamic industrial growth, robust infrastructure, excellent connectivity, and leading educational institutions, Nagpur has solidified its status as a thriving hub for education and industrial development in India.

HOW TO REACH NAGPUR?

Well connected by air, road and rail to all the major cities in the country, Nagpur has efficient public transport within the city like cabs, buses & the Nagpur Rail Metro. Pre-paid taxi and Cab aggregations are available 24*7 in Nagpur.
