Message from the Director General

Dear Recruiter,

It is with great pride that I introduce to you the 2016-2018 batch of PGDM, PGDMHRM and PGDM B&FS.

Over the past one year, IMI New Delhi has taken cogent strides in becoming the best private Business school in the country, a testament to it comes in the form of Ministry of HRD conferring the institution with 7th rank among all business schools in India in April 2016.

Business organizations are observing a paradigm shift in the current macro environment, triggered largely by the technological developments and

global events. It makes the role of the quintessential business executive more challenging. Besides having strong business acumen, it is important for a manager to look into the different aspects of sustainable development with regards to the organization as well as the society. International Management Institute, New Delhi has successfully nurtured professionals for many years to take on such critical challenges and be a great value addition to the organization. Tended by a stellar faculty, an illustrious alumni network and several industry guides, the institute has equipped them by making them knowledgeable, innovative and versatile.

Living true to its experiential form of imparting integrated management education, IMI New Delhi now provides a product portfolio of five academic programs – PGDM, PGDMHRM and PGDM B&FS, Executive PGDM and Fellow Program in Management (FPM). The institute's constant endeavor to focus on value based learning has reaped great dividends as graduates in the past batches have excelled in various organizations. Maintaining the same standard, I am confident that the batch of 2016-18 is ready to deliver excellence in the industry.

I recommend them for your consideration and take this opportunity to invite you for the Summer Internship Placements of the 2016-18 batch.

Dr. Bakul Dholakia
Director General
International Management Institute, New Delhi

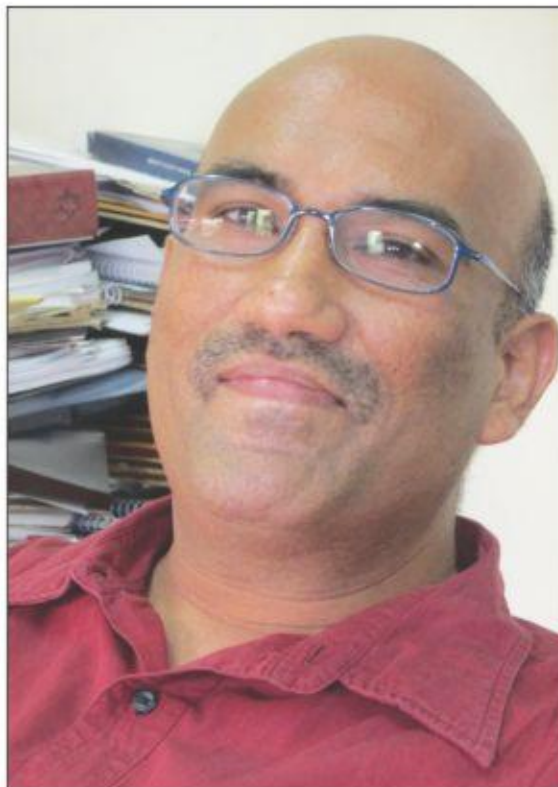

Message from Dean Placements

Dear Recruiter,

Welcome to the Summer Recruiter's Guide 2016. It is our privilege to host you for the Summer Internship Season of 2016. These are exciting and good times at IMI. With the recent MHRD ranking having placed us in the No. 1 position amongst India's private school and No. 7 in the business school rankings. Second, we closed 2015-16 with a very successful and effective Placements and internship. We repose our thanks and the confidence that has been placed upon us.

2016 seasons begin with the internship week process scheduled in September 2016 and we hope to usher in positive news for summer intern recruiters. This year the batch size increase will provide a better and wider mix of participants to choose from.

We do hope that you find the participants to the process suited to your organization and in sync with the long term plans of the organization. This guide is a step by step process towards a virtual campus tour alongside knowing the participants better. Welcome to Campus Connect 2016 and let me place my sincere gratitude and warmth for having considered to be part of this process. We welcome you on board for a successful and long standing relationship.

Genesis

International Management Institute, New Delhi began its operations in the year 1981 as a response to the growing need for internationally oriented management education for managers in industry, government and public systems. Being India's first corporate sponsored B-School, IMI, was established as an autonomous non-profit educational society under the Societies Registration Act 1860 in collaboration with International Management Institute, Geneva (now IMD Lausanne). IMI's educational programs have been recognized by All India Council for Technical Education (AICTE) and Ministry of Human Resource Development, Govt. of India.

With a wide list of established alumni along with its internationally acclaimed intellectual capital, IMI has cemented its position as one of the most reputed B-schools in the country continually attracting some of the country's brightest young minds. The recent rankings as released by some of the leading media sources substantiate its stature in the league of B-schools in India.

Student Activities

Corporate Relations and Placement Committee: This Committee at IMI is responsible for building and strengthening corporate relations and facilitating the placement process including Summer Internship, Laterals and Final Placement Process. The major focus lies in reaching out to recruiters and inviting them to campus to gauge the potential and quality of students. Apart from the recruitment process, the Committee also works towards engaging Corporates through various student initiatives. It organizes Business Thought Leadership (BTL) Series wherein Corporate Leaders are invited to address the students and enlighten them with their enriching industry experience.

Branding and Media Relations Committee: The mission of Branding and Media Relations committee is to work in unison with other initiatives at

IMI and promote the brand IMI. The committee assists with the media coverage of all major events like Conventus, Kritva, ITEC programs and training programs in various newspapers. It assists in the participation of IMI students in television talk shows, handles all the social media and is responsible for all the communication. The committee also facilitates the admissions process for new aspirants and designs activities from designing of Admission brochure to post induction settlement of the new entrants in the college.

Alumni Relations Committee: The Alumni Relations Committee works relentlessly to strengthen the bond between IMI and its alumni for a mutually beneficial relationship. By conducting & facilitating Alumni Meets across 5 national chapters and 2 international chapters, it provides an opportunity for alumni in these regions to interact & network. The Annual National Alumni Meet (NAM) organized in the IMI campus gives the alumni a chance to take a trip down the memory lane and reminisce about the moments they spent here.

International Relations Committee: IRC is the face of IMI to the international world. The committee is responsible for facilitating the exchange process of outbound students and hospitality of inbound students. IRC also counsels the students on their queries about various courses and universities offered in this exchange program. Apart from this, the committee works towards building new collaborations and fostering new tie-ups with universities and institutes the world over.
