BIRLA INSTITUTE OF TECHNOLOGY MESRA
RANCHI - 835215

CONTENT

About
BIT Mesra

Established in 1955 by the visionary industrialist Mr. B.M. Birla, BIT Mesra was founded with a clear vision to offer its young minds a space where their imagination could take wings and their ideas fruition. Over six decades now, the institute has nurtured minds with a rich heritage of academic excellence, developing learning frameworks that have been well ahead of times.

It has many firsts to its credit. It was the first in the country to establish a department dedicated to Space Engineering & Rocketry way back in 1964. It was also the first to develop a Science & Technology Entrepreneurs' Park (BIT-STEP), on campus to instil the spirit of entrepreneurship in its students. Today, it is a vibrant place, bustling with student activities and innovative teaching methods that make it home to thousands of aspiring leaders of tomorrow.

The main campus of BIT in the outskirts of Ranchi at Mesra is spread across 780 acres of a well laid out township with adequate civil infrastructure of buildings, offices, laboratories, health centres and social amenities in the midst of lush green forest located at the confluence of Subarnrekha and Jumar rivers.

BIT Mesra has its off campuses in Jaipur, Patna, Deoghar and Noida offering Engineering & Management programmes at UG & PG level.

The placement office values the relationship with its recruiters and alumni of BIT Mesra. It works towards generating a symbiotic relationship with all of them. Let us take one more step forward in building upon past relations and opening new avenues.

- » Department of Architecture and Planning
- » Department of Bioengineering and Biotechnology
- » Department of Chemical Engineering
- » Centre for Food Engineering and Technology
- » Department of Chemistry
- » Department of Civil and Environmental Engineering

Notable Alumni

Aatmesh Shrivastava
Distinguished Alumni Award for 'Service to Society in India and abroad, including support to the alma mater' (Young Alumnus Award)

Aditya Ranjan
Distinguished Alumni Award for 'Service to Society in India and abroad, including support to the alma mater'

Amit Chadha
Distinguished Alumni Award for 'Leadership in corporate World, Industry, Academia and Research Institutions'

Amit Chaudhary
Distinguished Alumni Award for 'Excellence in Leadership in the Corporate World' (Young Alumnus Award)

Amit Kumar
Distinguished Alumni Award for 'Contribution to Engineering, Technology and Entrepreneurship' (Young Alumnus Award)

Anamika Jha
Distinguished Alumni Award for 'Service to Society in India and abroad, including support to the alma mater' (Distinguished Alumna Award)

Arshinder Singh Chawla
Distinguished Alumni Award for 'Service to Society in India and abroad, including support to the alma mater'

Ashish Vaswani
Distinguished Alumni Award for 'Contributions to Engineering, Technology and Entrepreneurship'

Chandra Bhushan Mishra
Special Jury Award

Deven Sharma
Distinguished Alumni Award for 'Leadership in Corporate world, Industry, Academia and Research Institutions'

Dr. Gopalan Jagadeesh
Distinguished Alumni Award for 'Excellence in Teaching and Research in Engineering and Technology'

Ganesh Natarajan
Distinguished Alumni Award for 'Contributions to Engineering, Technology and Entrepreneurship'

Jaya Singh Panda
Distinguished Alumni Award for 'Leadership in Corporate world, Industry, Academia and Research Institutions' (Distinguished Alumna Award)

K P J Reddy
Distinguished Alumni Award for 'Excellence in Teaching and Research in Engineering and Technology'

Madan Mohan Mohanka
Distinguished Alumni Award for 'Contribution to Engineering, Technology and Entrepreneurship'

Neha Prakash
Distinguished Alumni Award for 'Service to Society in India and abroad, including support to the alma mater' (Distinguished Alumna Award)

Nitin Jain
Distinguished Alumni Award for 'Contributions to Engineering, Technology and Entrepreneurship' (Distinguished Alumnus Award)

Prof. Ramjee Prasad
Distinguished Alumni Award for 'Excellence in Teaching and Research in Engineering and Technology'

Rohit Prasad
Distinguished Alumni Award for 'Leadership in Corporate world, Industry, Academia and Research Institutions'

Sanjay Nayak
Distinguished Alumni Award for 'Excellence in Leadership in the Corporate World'

Sanjeeva Kumar Singh
Distinguished Alumni Award for 'Service to Society in India and abroad, including support to the alma mater'

Shree K. Nayar
Distinguished Alumni Award for 'Excellence in Teaching and Research in Engineering and Technology'

Sohini Roychowdhury
Distinguished Alumni Award for 'Contributions to Engineering, Technology and Entrepreneurship' (Distinguished Alumna Award)

Surinder Chadha
Distinguished Alumni Award for 'Service to Society in India and abroad, including support to the alma mater'

Sushant Gaurav
Distinguished Alumni Award for 'Service to Society in India and abroad, including support to the alma mater'

Tanuja Prasad
Distinguished Alumni Award for 'Contributions to Engineering, Technology and Entrepreneurship' (Distinguished Alumna Award)

Vijay Kumar
Distinguished Alumni Award for 'Contributions to Engineering, Technology and Entrepreneurship'

Life at Campus

A Vibrant Residential Experience

Nestled amidst lush greenery, the BIT Mesra campus offers a serene yet dynamic living environment for its students. With 14 hostels for boys and girls, the institute ensures comfortable, well-furnished accommodation that fosters both academic focus and personal growth. The spacious verandas of the hostels often become spontaneous hubs for discussions, where ideas flow freely, and friendships deepen—a true testament to BIT's culture of collaboration and innovation.

A Home Away from Home

Life in BIT's hostels is more than just staying on campus—it's about being part of a close-knit community. Each hostel has its own mess, managed by students, ensuring homely meals and a sense of ownership. The facilities include TV halls, reading rooms, indoor sports areas, guest rooms, and common spaces where students unwind after a long day of classes. Hostels are fully Wi-Fi enabled, keeping students connected academically and socially.

Where Learning Meets Fun

The hostels buzz with energy, thanks to a packed calendar of activities. From intense inter-hostel tournaments (cricket, football, basketball, quizzes) to cultural nights, there's always something happening. The highlight: Hostel Night—an eagerly awaited annual event where students and faculty come together for performances, laughter, and unforgettable memories.

Beyond Academics: Clubs, Sports & Festivals

BIT Mesra believes in holistic growth, with over 30 student-run clubs and societies spanning technical, cultural, and artistic domains. Whether it's robotics, dance, music, or entrepreneurship, there's a platform for every passion. The institute's flagship events—PANTHEON (technical fest) and BITOTSAV (cultural fest)—draw participants from across the country, offering students a chance to showcase their talents.

A Legacy of Excellence

Since 1955, BIT Mesra has been shaping futures across disciplines—Engineering, Pharmacy, Management, Biotechnology, and more. The mandatory hostel stay ensures that every student becomes part of this legacy, forging bonds that last a lifetime.

Sports Complex, BIT Mesra

Sports complex of the institute covers around 1 lakh 10 thousand square meter, approximately (24 acres). The students who are residing inside the campus are using the sports complex for physical fitness, mental fitness, social interaction, and recreation purposes. The facilities provided in sports complex are :

- Athletic Track 400-meter
- Badminton Courts (Indoor)
- Basketball Courts
- Cricket Ground
- Football Ground
- Hockey Ground
- GYM Hall
- Multi GYM
- Kabaddi
- Kho-Kho
- Table Tennis
- Chess
- Lawn Tennis
- Throw Ball
- Handball

* GYM hall has dimension of 80 feet x 50 feet used for PT & Games classes during Monsoon & Spring session.

* Multi Gym area is 1400 square feet having 'A' class facilities with latest equipment's. Badminton Indoor Hall is used for practice & conducting the Inter hostel & University Tournaments.

* Physical Education & Sports Department organizes Inter Hostel tournaments and conducts Annual Athletic Meet every year.

* The Department takes the responsibility of preparing the teams for Intramural & Extramural Tournaments. Institute teams also participates in Inter University AIU sponsored tournaments every year at various places.

* Physical Education & Sports Department organizes Chetan Devraj East Zone Inter Technical Memorial Cricket Tournament in which only technical institutions are allowed to participate.

Clubs and Societies

National Service Scheme (NSS)

National Cadet Corps (NCC), BIT Mesra

Association of Computer Machinery (ACM)

Entrepreneurship Development Cell (EDC)

Indian Institute of Chemical Engineers (IIChE)

Society for Biotechnologists & Bioengineers (BIOTS)

SPIC-MACAY

YUVA Tourism Club

Bitotsav
One of the biggest Cultural Fest of Eastern India

International
Collaboration

With the support of alumni members in the US, students of undergraduate engineering program (6th Semester) are sent to reputed US universities during the summers under the Immersive Summer Research Experience (ISRE) program. The summer internship is carried out at the Illinois Institute of Technology-Chicago, Carnegie Mellon University-Pittsburgh, Northeastern University-Boston, Columbia University-New York, and Georgia Institute of Technology-Atlanta till date, 101 students have already been benefitted through the above program.

Placement
Procedure

PLACEMENT SEASON BEGINS
Formal Invitations are sent to the organizations from T&P Division for participation in the placement process.

COMPANY'S RESPONSE
Company reverts to the Institute with filled JAF (Job Application Form).

PUBLICATION OF JOB
Based on the JAF filled by Companies eligibility criteria, job description, pays & perks, etc. are displayed on the T&P portal.

STUDENT REGISTRATION
Interested and eligible students register themselves for particular job

SLOT ALLOCATION
Dates are blocked for company visit and list of interested and eligible candidates along with their resume are shared with the company

PPT/TESTS /GD/ INTERVIEWS
Companies give their presentation and conduct tests, GD, interviews. Etc

FINAL SHORTLISTING/ FEEDBACK
Company shares the name of the final shortlisted candidates with the Institute. Company shares their feedback with the Institute.

OFFER LETTER
It is expected by the company that the offer letters of shortlisted candidates shall be rolled out before session ends.

Why Recruit from
BIT Mesra?

1 Rich legacy of 70 years in technical education (Established in the year 1955).

2 One of the first few institutions of the country to be granted the status of Deemed university, in the year 1986.

3 NAAC accredited and 80% programmes are NBA accredited.

4 NIRF ranked 48 in the engineering domain.

5 Admission to all undergraduate engineering programmes based on all India ranking JEE Mains through CSAB/JOSAA and PG programs through national level tests.

6 FSR (Faculty Student Ratio) comparable to NITs.

7 Faculty qualification and experience comparable to NITs and IITs and better than the top private engineering colleges of the country.

8 Collaboration with top universities in the USA for Summer Research Carnegie Mellon University, Illinois Institute of Technology Chicago, Georgia Institute of Technology, Northeastern University, Boston and Columbia University, New York.

9 Co-curricular and extra-curricular activities, students managed clubs and activities for the overall development of the students at par with any premier engineering institute in the country.

10 Best in class teaching learning infrastructure.

11 Lush green 780 acres campus including all in-house necessary amenities offered for the wholesome and holistic development of the students.

12 Rich alumni pool deeply engaged with the alma mater.

Facilities for
Recruiters

The Recruiters are provided with all the required facilities for the placement process, as mentioned below.

1
The computer and internet facilities are available for online test.

2
Any recruiter interested in delivering a Pre Placement Talk is provided with an auditorium having a seating capacity of 40, 300, and 3000 along with additional required facilities, if any.

3
Wi-fi enabled, air-conditioned rooms for group discussion and personal interviews.

4
Video conferencing facilities are available if necessary.

5
Fully furnished, air-conditioned rooms will be provided in the Institute Guest House for the visiting recruitment team.

6
Local transportation will be provided for airport pick and drop.
