– Mr. R.K. Shrivastava
Our Founder

A Truly Unique MBA Experience

It is said that success rides on time. FIIB has achieved a 28-year tradition in delivering a learning experience that is rigorous, relevant and rewarding. Our role is to challenge and inspire students, and to ultimately enable them to achieve their potential for both personal and professional growth. Today, we continue to attract a great diversity of students who have the drive, confidence, a strong record of achievement and a burning desire to advance the progress of business and society.

At FIIB, you will find the ideal environment to realize your full potential and become a business leader for the 21st century. You will build your competencies in an energizing, collaborative community that has only one focus – Your Success!

A perfect equation between our class size and an individualized approach to development means that your interests and aspirations are valued.

Excellent professors keeping themselves current and relevant through their research will build upon your unique talents and shape your learning experience. Our faculty infuse a rare combination of broad experience, personal insights and advanced management thinking into their classes.

Armed with the latest knowledge of today, you will be well-prepared to solve the business problems of tomorrow. During our 2-year program, you will develop the core management skills needed to excel in today's competitive business world. You will also go much deeper with your analytic skills, a most required skill of the 21st century using the power of data to drive smart decisions.

At FIIB, you will experience an entirely different approach to leadership. We believe that you must know yourself and your strengths to truly lead. After learning the theories of leadership, you will face your fears, develop critical thinking skills and challenge conventional wisdom in complex situations specifically designed to put those theories to the test.

One-on-one meetings with our Career Center offer you unparalleled advice about achieving your goals. Fuel your career transformation with regular campus visits by top recruiters from some of the most sought after companies, and by regularly scheduled events with our prestigious network of over 3000+ alumni.

If you are a high achiever who dreams big, with the courage and passion to turn that dream into a reality, the FIIB PGDM is for you.

With Warmest Wishes,

Ms. Radhika Shrivastava

“

The most important thing for faculty is to put learning first. The students spend most of their time at college with us, that puts a huge responsibility on our shoulders to mould them into success-ready individuals. Of course, it's not easy, but knowing that these people, who're listening intently to each and every word we utter in the classroom, possess the potential to become gamechangers of the marketplace and economy, keeps us on our toes to stay updated and make learning impactful.

- Dr Sudhir Rana , Associate Professor, FIIB

”

you bring the consistency, we'll bring the mould

Infrastructure

Located in prime South Delhi, infrastructure at FIIB has state-of-the-art facilities that equip the students with the right tools and technology to excel. With hi-tech classrooms that support student learning, a library that houses the most up-to-date resources, and student recreation centers that support a friendly learning environment, FIIB nurtures exploration, invites cross-cultural engagement and inspires dynamic interactions. FIIB campus is also well-connected to major hotspots of entertainment, shopping, gastronomy and culture in Delhi-NCR, offering our students a vibrant and diverse network with memorable experiences and the opportunity to bond with the FIIB community for lifetime.

Knowledge Centre

In keeping with the vision and mission of the Institute, the Knowledge Centre has been established “To facilitate access to right Information at the right time in the right manner”. The library aims to develop a comprehensive collection of documents that are useful to the faculty, students and research scholars in their educational and research activities.

Knowledge Centre holds a comprehensive and up to date collection of knowledge resources books, periodicals and case studies from Emerald Emerging Market Case Studies, multimedia and electronic resources including e- books like Pearson’s, McGraw Hill, Wiley, digital access to e-journals of IIMs & online access to national/international databases like Capitaline, EBSCO & J-Gate, digital access to e-magazines and newspapers from EDZTER and open access to the National Digital library. It has been providing up to date and nascent information resources and services both in hard and soft forms.

The Digital Library can be retrieved from login access. The Knowledge Centre elibrary <https://fiib.refread.com/#/home> available 24x7 basis with Mobile app. All information about resources and services with accessibility details updated on the library portal. To facilitate easy access to all the library’s digital resources as well as abundant resources on the world-wide web, about 16 computers are made available in the main library. FIIB has established linkages with DELNET, which provides the delivery of individual books as and when required by member libraries and photocopies of articles published in India and abroad through the Inter Library Loan/Document Delivery Services to facilitate discussion, the main library is separated from the reading room

Guaranteeing access to Knowledge

The Student

The hallmark of a good MBA institution is the quality of its Management Graduates. FIIB students have consistently gone out into the world and blazed trails. These are some of the reasons why.

“Ignite the Passion within you”

Student Clubs

At FIIB, students play a pivotal role in planning, organizing, curating and monitoring all intra and inter college events conducted at the campus. With a view to promote a student-driven culture at the Institute, a number of Student Clubs have been formed. These clubs serve as excellent forums to strengthen entrepreneurial and managerial capabilities through the practical application of live projects outside the classroom

Event of the Year

The annual calendar at FIIB is home to some of the most high-spirited and thought provoking events that contribute to the comprehensive development of the students.

TEDx FIIB

TEDxFIIB discusses ideas worth spreading through renowned speakers who have built a stage for themselves through their remarkable achievements.

Founder's Day

Founder's day is organized to commemorate the Founding Father of FIIB and celebrating the history and accomplishments of the Institute and its various stakeholders.

Sustainability Summit

The Sustainability summit provides a forum to deliberate on key issues to create Sustainability across all the walks of life.

Ranbhoomi

Ranbhoomi is an annual sports event at FIIB. The students enthusiastically participate in the games and fun activities with spirit and pride.

Sankalp

Sankalp (translates to 'an intention formed by the heart and mind') is a unique credit-based event organized quarterly with distinct objectives depending on the stage of the MBA journey the students are on. Accordingly, the institute conducts Sankalps'1 and 2 during year 1 and Sankalps 3 and 4 during year 2.

VFTT

The VFTT series is one of a kind event at FIIB where versatile leaders who are on the top of their field, share their experience with the FIIB Community. These talks are thought-provoking, giving insights into the various facets of life & provide the much required motivation to instill a sense of positivity.

Meraki

Meraki is an annual Business Plan competition for students to showcase their talent for industry preparedness.

Live Projects

The purpose of live projects is to give students professional management experience that will help them at the beginning of their careers and in the long-term. In this way, students get a mix of hands-on work experience and get to see how the corporate world works before they actually get into it. When working on a live project, there is an opportunity for students to specify a specific domain and select a project that fits with their area of interest. Additionally, they are able to meet professionals and discuss the project with them.

Alumni High Achievers

Our acclaimed alumni are spread globally and have not left any sector untouched by their brilliance. We feel proud to be a part of their triumphant journeys while they are busy transforming the business and social landscape with their unparalleled talent.

Student Employability Enhancement :Sankalp

FIIB follows a structured training plan conducted in a phased manner to enhance employability of the students. The Career Preparatory Program, which spans the entire four terms is carefully designed to enable students to succeed in the competitive corporate environment. A scientifically extensive training needs assessment including a comprehensive psychometric assessment for each student to ensure individual and personalized personality enhancement.

In addition to the continuous efforts put internally to improve employability skills of students, we believe that an evaluation from industry perspective at regular intervals brings a 360 degree dimension to the whole exercise. FIIB has very carefully curated 'SANKALP - Skills and Knowledge Aligned to Lead and Perform' in four different phases during the course of the entire PGDM Program. Each phase of SANKALP addresses specific gaps between industry and academia with a detailed activity chart carried out by industry experts over a period of 2-4 days depending upon the nature of the activity. SANKALP also ensures that every experience the students have coincides directly with the career path they want to explore.

Industry Interaction

Guest sessions: The students at FIIB get to network with top leaders from industry and learn from the experience of industry professionals. These sessions provide students with exposure to emerging trends in various sectors, the contemporary developments therein and also the expectations of the industry from the future managers.

Global Immersion Experience

Often called the fun learning part of FIIB PGDM, the Global Immersion Program provides students with an experience-driven understanding of the culture and commerce of another country while developing the confidence to work at an international level. Before the program, students are asked to research the culture, economy, and industries of the country they are going to visit to get better insights into various management practices related to Operations, Marketing, Sales and HR.

Global Exposure

FIIB understands the importance of academic and research collaboration on a global platform. This not only accelerates the progress but also enhances the quality of the work and extends the repertoire of the partners. It is beneficial not only to the students in increasing their knowledge but also to the faculty in learning new teaching techniques.

FIIB collaborations are multifaceted and impact and improve quality, capability and resources sharing, resulting in an improvement in quality and acceleration of progress. We have successfully collaborated with institutes and universities on almost all continents across the globe, including Asia, Europe, North America, etc. Students, staff, and the educational curriculum benefit from these partnerships that enhance their knowledge, skills, and expertise. Students have been exposed to learning in global environments through exchange programs for a term or a year. A number of faculty and staff members have been actively involved in deliberation in several institutions and universities. This is whether it be through their participation in curriculum development, conferences, seminars, or even just as guest lectures or keynote speakers.

FIIB, with its global outlook, is one of the finest B-Schools in New Delhi and NCR. The Academic Environment promotes collaboration, contributes to research, is productive in curriculum development, and accelerates career development. Its professional approach and outward orientation contribute to making it a truly international institute.

Industry Focused Curriculum

The FIIB Curriculum has been developed through vigorous debate and deliberations among the industry frontrunners. The FIIB Faculty lends it the extra edge needed to transform students into success-ready managers. The amalgamation of rich industry experience, proven leadership potential and academic rigour produces talent that is ready to hit the ground running from the very first day in complex business environment.

FIIB has always been quick on updating its curriculum in response to the changing needs of employers like yourself. A panel of experts from various industries have helped us pick the right courses such as Business Analytics, Collaborative IT Tools and Visual Storytelling that are required to solve contemporary and emergent business problems. As a result, our batches have been hailed by recruiters in need of management talent at the entry level.

Curriculum Diagram

With a harmony of core management studies, thought leadership and practical experience, our curriculum provides hands on experience, knowledge and skills to excel. Designed with the right blend of courses, electives and experiential learning opportunities, this curriculum serves as a road map to success

you bring the dream, we'll bring the chisel.

Marketing

Marketing is a demanding career that requires a wide range of skills to succeed. Students at FIIB are brought up to be great storytellers to be able to convince a client and possess technical skills that are essential for success in their careers. They believe in testing everything and assuming nothing, using data evidence to make decisions. FIIB creates industry-ready marketing professionals equipped with selling, marketing communication, relationship building, digital marketing, research, and reporting skills. Our curriculum offers a perfect launch pad for Business Development & Sales and Marcom career-tracks

Business Development & Sales

As Business Development & Sales professionals, our students have been trained on how to research and pursue new and prospective business leads for business growth. As per the requirement of the role, our students have the ability to manage themselves, learn and adapt to new situations. They possess exceptional interpersonal skills and are made ready to apply Sales Pitch using FAB analysis, negotiate using BATNA & ZOPA

Marcom

The product & brand management, marketing communication, digital marketing, market research, and analytical interpretation of consumer behaviour broadly help in creating a “pull factor” around a company or a brand. With the way marketing function is advancing with technology, our students are made aware of the nuances of marketing in the digital space as well as OOH and the ways & means through which a product is made into a brand. The hands-on exposure they get on Marketing Plan- Formulation, Implementation & Control with hands-on experience of SEO/ SEM/ SMM/ PPC and community engagement. They are also skilled in the tools supporting the function such as Google Adwords, Google Analytics, etc.

Marketing Analytics

Marketing Analytics plays a crucial role in providing decision-makers with timely and objective information to help them make informed decisions in many areas. Marketing analytics is the function that links the consumer, customer, and the public to the marketer through information. The information is used to identify marketing opportunities and problems (market demand determination, market segments identification, product/ service use studies, competitive analysis), new-product prototype testing, pricing tests, advertising pretesting, distribution effectiveness studies) and improving marketing as a process. The course of marketing research is designed with a special emphasis on multivariate data analysis. Students taking the course will gain expertise in different multivariate data analysis tools using SPSS.

Finance

The field of finance carries a strong ethical responsibility and requires dedication to protect professional standards of practice. The competitive nature of the industry entails a preference for those who have relevant qualifications. Our students are adept to analyze all data to develop strategies and ensure achievement of all financial objectives for clients with special focus upon the following four roles.

Financial Research

The financial industry is beaming with career options for young budding managers with analytical bent of mind and understanding of data. Our students are great with numbers and have an analytical bent of mind with problem-solving skills. They possess the ability to use financial data to spot trends and extrapolate the same, helping their employers and clients to make informed decisions.

Corporate Finance

This is a fast growing area which is present in almost all the industries. The Finance department in all organizations nowadays require a person who can understand, interpret complex data and present the same in visually appealing form through Data Visualization tools & techniques. Our students have been trained well into the financial aspects, as well as the technology of presenting the data in visual form.

Financial Sales

A combination of Finance and marketing skill sets the right tone for preparing the student to be a good fitment for the financial sales profile with any organization. This is a highly-skilled role as well as one of the most rewarding sales careers within this constantly changing and evolving industry. We train our students to have strong interpersonal skills in addition to their quantitative and analytical skills that are of utmost importance in today's world for a successful career.

Financial analytics

Financial analytics is the field that provides high- and granular-level views of a company's financial data, helping to improve its business performance. Predictive, data-driven insights help your team from beginning to end by understanding and analyzing past performances, predicting strategies for successful future performances, and steps to take to make smarter and more confident decisions. As the role of technology has expanded, the functions of financial managers and their approach to financial analysis have changed. Acting as a strategist to executives means they'll need to embody constant awareness of the business's financial standing at all times.

Let's Connect

We welcome applicants from diverse academic, professional and personal backgrounds and examine all components of their applications to gain an insight and understanding of them as candidates. Our admission committee of the college is interested in the candidate's potential for academic success at the college, and professional success in the future. We seek applicants who are highly motivated, self-directed and innovative. Personal competencies such as communication, interpersonal, teamwork and leadership skills are among other key considerations. Candidates must demonstrate readiness for the rigour of our academic programs because of our strong emphasis on academic quality.

Selection Process

Every student has to go through a rigorous and elaborate selection process to be a part of FIIB. To apply for admissions, the candidates should have appeared in at least one of the entrance tests from among CAT/GMAT/XAT/CMAT/MAT/ATMA and must have fared reasonably well with their scores. FIIB scales the personality and capability of the students largely through their past academic performance and work experience. The aptitude and written tests judge the analytical and reasoning skills while the personal interview by our experienced faculty and industry experts happens on the basis of their communication abilities, interpersonal and soft skills, teamwork and leadership qualities.

Eligibility Criteria

- The candidate must hold a Bachelor's degree with minimum 50% marks in aggregate of all the subjects from any of the Universities recognized by the AIU/ UGC or AICTE, or possess an equivalent qualification recognized by the Ministry of HRD, Govt. of India
- The Bachelor's degree or equivalent qualification obtained by the candidate must entail a minimum of 3 years of education after completing Higher Secondary Schooling (10+2) equivalent.
- Candidates appearing for the final year degree examination in the year 2023 can also apply subject to furnishing the proof of having passed graduation by October 2023 and obtaining minimum 50% marks in aggregate total of all the subjects studied failing which the provisional admission will be canceled and no fee will be refunded in lieu thereof.
- All candidates are required to take the CAT/GMAT/XAT/CMAT/MAT/ATMA with minimum 50 Percentile.

Evaluation Process

Applicants are evaluated based on CAT/GMAT/XAT/CMAT/MAT/ATMA scores, past academic performance, work experience, speaking skills and personal interview. The selection process builds in a criterion that facilitates evaluating each candidate on:

- **Academic Abilities:** The program at this college is highly demanding and candidates with consistent academic background and an ability to sustain pressure only make it to the shortlisted.
- **Standardized Test Scores:** FIIB considers CAT/GMAT/XAT/CMAT/MAT/ATMA scores in the overall assessment.
- **Rank Holders:** The B-program gives a clear advantage to College/University rank holders.
- **Integrity and Ethical Values:** The college lays emphasis on integrity and values including originality. Plagiarism will not be tolerated in any form.
- **Diversity:** Diversity in academic background facilitates peer learning which we actively try to bring into the PGDM classroom.

Scholarships

FIIB's Scholarship Programme offers unique scholarships to help PGDM aspirants who have demonstrated their aptitude for a career in business management to pursue and realize their dreams.

FIIB Merit-Based Scholarship Programme:

FIIB Scholarship Program is designed to choose highly meritorious students and includes a total of 10 scholarships of up to 100% tuition fee value for the specially selected students admitted to the PGDM and PGDM-FM programmes. Many more partial tuition grants of 5-10% are also available for other deserving candidates, or those belonging to special categories, under the Tuition Assistance Programme (TAP).

FIIB Scholarships - Tuition Assistance Programme (TAP):

Scholarships of up to Rs.2,20,000 per student are awarded to deserving students decided on the basis of:

- Past Academic Performance (Graduation, Xth and XIIth Standard)
- Score in Competitive Examinations
- Relevant Work Experience

Conditions for Grant of Scholarship:

To ensure that you continue to achieve what you have done in your past academic pursuits and achieve new goals, there are certain conditions laid for the grant of scholarship

It is the responsibility of all the students to encourage an atmosphere of learning, social responsibility, respect for human dignity, and improve positive influences, constructive development for members and aspiring members. As per the regulation, any act of physical abuse including all its variants: sexual abuse, homosexual assaults, stripping, forcing obscene and lewd acts, gestures, causing bodily harm or any other danger to health or person would amount to ragging. Any act by a student that prevents, disrupts or disturbs the regular academic activity of any other student and exploiting the fresher's for completing the academic task assigned to an individual or a group of students also amounts to the offense.

The act of abuse by spoken words, email, and post public insults, which would also include deriving perverted pleasure, vicarious or sadistic thrill from actively or passively participating in the discomfiture to fresher's or any other student will amount to 'ragging.'

Kindly read the **Information Pack** available at our website www.fiib.edu.in to know more details about ragging and its regulations.
